Join us for the hottest dance competition in the Sierra!

And support InnerRhythms pre-professional dance program and dance-centric wellness programs for kids, teens, adults, seniors, and dancers with exceptional needs here in Tahoe-Truckee.

Similar to the *Dancing with the Stars* TV show, eight of our local Stars will be partnered with a professional dancer to perform a captivating ballroom routine. A boisterous local judging panel joins in the entertainment and one of our local Stars will take home the coveted Mirror Ball Trophy. The second act features the professional dancers performing a sensational stage show!
